*"Animals need a good life, too!"*

### North Macedonia, Karposh

*"We don't have a reserve planet – so practice walking!"*

### Netherlands

*"Plastic is not so fantastic"*

### Austria

*"I like to walk to school, cause there I can meet my friends."*

*"On my way through the park I can watch birds and butterflies."*

### Germany

*"We demand a general speed limit on highways and car-free days!"*

*"Don't cut down so many trees. And if you still cut down trees, then always plant new ones."*

*"I would like no more dark clouds of smoke from chimneys and factories." (Matteo)*

## Statements from adults

### Austria

#### Tadten

*"Initiatives such as this campaign encourage the children to get more exercise and generate excitement about walking to school."* (teacher)

#### Steinbrunn

*"Parents report that the children now are more motivated to come byr bike or scooter to kindergarten"* (teacher)

### Germany

#### Meppen

*"The campaign did not only teach the students that many small acts can add up to large results. Everyone also felt much safer in front of school, since fewer cars were on the roads than usual!"* (teacher)

#### Delbrück

*"Once again, we were shown that children understand the whole topic much better than most adults do. I especially liked the call to end climate-destructing warfare."* (coordinator)

#### Hövelhof

*"The children are proud of their small contribution and we will continue to look at these issues"*

#### Frankfurt

*"The project brought a lot of joy to all pupils and teachers. There was positive feedback at several parents' evenings. Thank you very much for the great project and the excellent materials."* (teacher)

#### Scharbeutz

*"We participated for the first time and are looking forward to making the Green Footprint Week a permanent project in school."* (teacher)

### Netherlands

#### Nijmegen

*"One of the boys left the lights off and was very proud of himself, as this was a week in which he also slept without a night light for the first time!"* (coordinator)
